## If You're Not Protected By One of Our Service Agreements...

Automobile repairs can be very costly and vary from one repair shop to another. It is always a good idea to compare rates before choosing a particular mechanic. This may ultimately save you many dollars in repair costs. Always ask for a detailed written estimate. This will give you the assurance that no extra work is performed without your permission.

Use a mechanic you know and trust. A reputable and knowledgeable mechanic will ensure that repairs are performed and completed to your satisfaction.

# Factory Type Coverage

Includes ALL items covered under the manufacturer's original coverage.\*

Because we cover so many parts, we cannot list all the components. Instead we cite the small number of things that are not covered. For example: oil, brake shoes, belts, hoses, tires, tune-up items, etc. Please read your Service Agreement for complete details.

All of our coverage options include 24-hour emergency roadside service! This means you get towing, flat tire assistance, fuel delivery, jump-starting, lock-out and more for the entire length of the Agreement! You can get back on the road quickly with our rental car allowance also!

\*Except for items listed under "Items not covered" on Service Agreement.

Complete terms and provisions are contained within each Service Agreement. Please read Service Agreement for complete details.
