

ADDITIONAL BENEFITS

The benefits below are included in all levels of coverage.

RENTAL CAR REIMBURSEMENT

In the event your vehicle requires an overnight repair, you are eligible for a \$50 per day (5 day max) rental car benefit. This cost will be offered as a reimbursement allowance or "direct bill" through our authorized direct bill rental car companies.

EMERGENCY ROADSIDE ASSISTANCE

This benefit includes access to 24/7 nationwide sign & drive emergency roadside assistance anywhere in the U.S. and Canada. Under this program, you are eligible for up to \$150 per disablement for a maximum of 3 incidents per 12 month period. The following services are included with your membership:

Jumpstart | Flat tire change (with inflated spare)
Fluid delivery | Lockout assistance | Towing

TRIP INTERRUPTION

In the event your vehicle is disabled due to a mechanical failure or breakdown occurring more than 100 miles from home, we will reimburse you for unplanned lodging and restaurant expenses up to \$150/day for up to 3 days.

REVOLUTION
TECHNOLOGY

REVOLUTION TECHNOLOGY

Whether you drive a mid-range truck or a high-end sports car, vehicle technology is enhanced with each model release. These amenities, even in certain base models, have the opportunity for failure, which can

cost upwards of \$3,000 depending on the affected part. Revolution Technology gives you the confidence needed to enjoy these features for many years to come.

SILVER | 10 PARTS

The Silver level covers 10 of the components that exist in a large majority of vehicles sold today, which includes: Radio/CD Player/Amplifier, Backup Camera Systems, Bluetooth for Phone/Audio

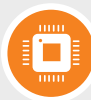

with Voice Recognition, DVD Players, Navigation System Display, Navigation with Traffic and Travel Link, Parking Assist Systems, Touch/Display Screens, and Video and Gaming Systems.

GOLD SAFETY | 50+ PARTS

The Gold Safety level covers over 50 components installed to enhance the safety of passengers and promote accident prevention such as Active Blind Spot Detection, ABS System, Adaptive Steering,

Rear Camera Mirror, Rear Camera Detection System, and Tire Pressure Warning Systems. A full list of the safety features covered in this level can be found on your Revolution Technology contract.

GOLD TECHNOLOGY | 80+ PARTS

The Gold Technology level covers over 80 sensors and components installed to improve comfort and overall driving experiences such as Dual-Zone Climate Control, Navigation Systems, Rain Sensor

Windshield Wipers, Bluetooth Phone/Audio Voice Recognition, and Rear Seat Entertainment Systems. A full list of the safety features covered in this level can be found on your Revolution Technology contract.

PLATINUM | 140+ PARTS

The Platinum level is exclusionary coverage, which means all of the parts listed in the Silver, Gold Safety, and Gold Technology levels will be covered.

BUSINESS USE

If elected, coverage will be provided for business use of a vehicle, regardless of registration type, that is solely or partially used for the generation of income (surcharge applies).
