

Coverage Highlights

- Vehicles up to 20 years old & 200,000 miles
- 3 classes/3 coverage levels
- Day 1 coverage
- No surcharges
- Seals and gaskets covered up to 125,000 miles
- Hybrid battery coverage
- Coverage available for gig economy (such as Uber & Lyft)
- Lift kits covered up to 6 inches
- Transferable

Ancillary Benefits

Emergency Roadside Assistance

Every TrekShield Vehicle Service Contract includes 24/7 nationwide, sign & drive emergency roadside assistance that will help you in the event of the following:

- Towing or jumpstart (cannot jumpstart a HYBRID Battery)
- Flat tire change (with inflated spare)
- Fluid delivery: (oil, water or fuel) cost of fluids not included.
- Lock out assistance (entry into passenger compartment only)

For assistance call (877) 442-9135 and a service provider will be dispatched to your location.

Rental Car/Alternative Transportation

In the event your vehicle is kept overnight for a covered repair/service, you are eligible for a rental car or alternative transportation reimbursement. Alternative transportation includes a taxi, car service, rideshare (such as Uber or Lyft), train fare, or bus fare.

Trip Interruption

If your vehicle breaks down more than 100 miles from your primary residence, you will be reimbursed for lodging and meals.

Coverage varies by state. Always review and refer to your contract agreement for complete coverage details. These Ancillary Benefits are not permissible in the state of California.

Coverage Levels

STANDARD:

ENGINE: Gasoline Engine – Engine block heater, cylinder block, and all internally lubricated parts including: crankshaft, rod and main bearings, cam bearings, expansion plugs, connecting rods, wrist pins, pistons, piston rings, camshaft and bearings, followers, cam tower, lifters, cylinder head, valves and guides, valve seats, valve springs and retainers, rocker arms, push-rods, timing chain housing, timing chain and sprockets, intake, flywheel/flex plate, balance shafts, harmonic balancer and retaining bolt, crankshaft pulley, valve covers, oil pan, oil pump and pressure relief valve, oil pump pick up and drive, engine oil sending unit, water pump, temperature sending unit, fuel pump, vacuum pump, dipstick and dipstick tube, fuel filler neck, filler neck hose, and fasteners for the above listed components. Seals, gaskets, and fluids will be covered only in conjunction with a covered service. **Diesel/Supercharged Diesel Engine** – The applicable parts listed above, plus the turbocharger, waste gate controller, intercooler, compressor, clutch and pulley, fuel supply pump, fuel and coolant lines, and fuel nozzles. **Turbocharged/ Supercharged Engine** – The applicable parts listed above, plus the turbocharger, supercharger, housing, waste gate controller, intercooler, compressor, pulley, fuel supply pump, fuel and coolant lines, and fuel nozzles.

TRANSMISSION: AUTOMATIC – Transmission case and all internally lubricated parts including: oil pump, valve body, torque converter, main shaft, governor, clutches, bands, drums, gear sets, chain and sprockets, bearings, bushings, sealing rings, solenoids, electronic shift control unit, cooler, hard lines, vacuum modulator, dipstick and tube, and fasteners for the above listed components. Seals, gaskets, and fluids will be covered only in conjunction with a covered service.

TRANSMISSION: STANDARD – Transmission case and all internally lubricated parts including: main shaft, gear sets, shift forks, synchronizers, sprockets, bearings, bushings, electronic and vacuum engagement components, and fasteners for the above listed components. Seals, gaskets, and fluids will be covered only in conjunction with a covered service.

FRONT WHEEL DRIVE: Drive axle housing and all internally lubricated parts including: carrier case, gear sets, bearings, universal joints, front hub bearings, drive shaft support, and fasteners for the above listed components. Seals, gaskets, and fluids will be covered only in conjunction with a covered service.

REAR WHEEL DRIVE: Drive axle housing and all internally lubricated parts including: carrier case, gear sets, bearings, bushings, limited slip clutch pack, axle shafts, rear hub bearings, propeller shafts, universal joints, drive shaft support, and fasteners for the above listed components. Seals, gaskets, and fluids will be covered only in conjunction with a covered service.

FOUR WHEEL DRIVE: The applicable parts listed above, plus the additional parts for the four wheel drive components including: all internally lubricated parts, locking hub assembly (4 X 4), transfer case, and chain and sprockets.

SEALS & GASKETS: Your vehicle will be covered for a breakdown that is the direct result of a failed seal or gasket, in accordance with all terms and conditions stated in the contract. Qualified vehicles may be covered for seal and gasket failure. Other vehicles will be covered for seals and gaskets ONLY in conjunction with a covered service and cannot be the direct cause of the breakdown. **Minor loss of fluid or leakage/seepage is considered normal wear & tear and is NOT considered a breakdown/ failure and therefore is NOT eligible for coverage under this contract.**

PREMIUM:

All components included in standard coverage level plus:

ENGINE COOLING: Radiator, mounting brackets and coolant recovery tank, fan clutch, fan motor and blades, fan shroud, heater core, transmission cooler, low coolant sensor, heater control valve, temperature sensor and relay, and fasteners for the above listed components. **Seals, gaskets, and fluids will be covered only in conjunction with a covered service.**

STEERING: Housing/case/cylinder and all internally lubricated parts including: rack and pinion valve assembly, sector shaft, rack mounts and cushions, inner/outer tie rod ends, speed sensor, steering gear assembly, pitman arm, all shafts/couplings, sealing rings, bearings, center link, idler arm, electric and power steering pump and pulley, fluid reservoir, cooler and lines, couplings, and fasteners for the above listed components. **Seals, gaskets, and fluids will be covered only in conjunction with a covered service. THIS COVERAGE DOES NOT INCLUDE REAR WHEEL STEERING COMPONENTS.**

FRONT SUSPENSION: Upper and lower control arms, bump stop cushions, control arm shafts, steering knuckle/spindle, wheel bearings and seals, stabilizer shaft, stabilizer linkage including mounts, king pins, and fasteners for the above listed components. **Seals, gaskets, and fluids will be covered only in conjunction with a covered service. Front wheel alignment will be included, where required to complete covered services.**

BRAKES: Master cylinder, assist booster, wheel cylinders, combination valve, front and rear brake calipers/actuators, hard lines and fittings, backing plates, springs and clips, retainers and self-adjusters, parking brake linkage and cables, and fasteners for the above listed components. **Seals, gaskets, and fluids will be covered only in conjunction with a covered service.**

AIR CONDITIONING: Compressor (electric) and mounting brackets, clutch and pulley, condenser, orifice tube, serpentine belt tensioner, POA valve, expansion valve, accumulator, temperature control programmer, high/low pressure cutoff switches, high/low pressure hoses, pressure cycling switch, thermostat, drier, temperature control head, o-rings, heated/cooled seats, freon refrigerant (if necessary) in conjunction with a covered service, and fasteners for the above listed components. **Seals, gaskets, and fluids will be covered only in conjunction with a covered service.**

ELECTRICAL: Instrument cluster including: speedometer, odometer, tachometer and all gauges, warning lights, factory burglary alarm, electronic entry systems including remote entry

receiver, sunroof motor, power antenna motor, headlight motors, power trunk release motor, power seat motor, power window motors, regulators, and switch, power sliding door motor and switch, power door lock actuators and switch, power mirror motor, window defrosters (front and rear), wiper motor, windshield washer pump, relay, and switch, distributor, heater – A/C blower motor, convertible top motor, brake light switch, backup light switch, neutral safety switch, cigarette lighter, clock, horn, alternator, voltage regulator, starter, engine block heater, electronic fuel injectors, throttle position sensor, oxygen sensor, crankshaft position sensor, camshaft position sensor, fuel pressure sensor, electronic ignition module, ignition coils, electronic level control compressor (including its sensor and limiter valve), 4WD encoder motor, and the following manually operated switches: seat adjuster switch, headlight switch, turn signal switch, wiper switch, and ignition switch. **Coverage also includes the following factory installed devices: GPS/Navigation system, night vision system, cruise control servo, and proximity pass key/sensor. COVERAGE DOES NOT INCLUDE CLEANING/ ADJUSTING, PROGRAMMING, OR SOFTWARE UPDATES.**

HYBRID BATTERY: Your vehicle’s HYBRID battery will be eligible for repair/replacement during the contract term. In order to qualify for HYBRID battery repair/replacement, the failure must be caused by HYBRID battery breakdown. HYBRID battery repair/replacement coverage will be limited during the lifetime of your contract. **You will be solely responsible for any costs that are NOT covered by the terms and conditions of the contract or for any expenses you incur that exceed the maximum limits stated in the contract.**

ULTIMATE:

All components included in premium coverage level plus:

This level covers any part that experiences a breakdown during the term of your contract, **except for any parts specifically excluded throughout the contract, listed in its exclusions section, or not elected as optional coverage.**

The product being offered is a service contract and is separate and distinct from any product or service warranty, which may be provided by the manufacturer, importer, or seller.

At our discretion, replacement parts used in covered services may include new, remanufactured, refurbished, non-original equipment, manufacturer’s parts, parts of the same like, kind, and quality (LKQ) (when available and as deemed necessary by us), or used parts that meet the quality standards of the repair facility or us.
