# PROTECTION PLANS GEARED FOR BUY-HERE PAY-HERE DEALERSHIPS

**D**KP Administration serves as a valuable resource for independent dealers, because we understand the particular challenges faced by “Buy Here, Pay Here” enterprises.

We add value for those businesses in three ways.

**First**, we offer **multiple payment options** that give you an alternative to paying a full lump sum at the end of the month. (For example, you could choose monthly installments, with or without an initial activation fee.)

**Second**, we offer **customized coverage plans**, and even **customizable terms/mileage levels**, so you can choose the best fit for you and your customers.

**Third**, we even offer **VSI and CPI options**.

In short, DKP plans provide comfortable coverage for your customers — and a comfortable cashflow for your dealership.

Contact us to discuss how we can help you be more profitable as you help your customers avoid unexpected expenses.
