

COVERAGE FOR ANY VEHICLE THAT WORKS HARD ON THE JOB

This plan meets the needs of a wide range of potential customers: contractors and tradesmen with extended-bed dually pickups, delivery businesses with panel trucks and Sprinter vans — even freight carriers with 18-wheelers.

These are all prime candidates for coverage under our **Heavy Duty & Commercial Vehicle** plan. Be sure to inquire about our limited and unlimited mileage options.

Many of these drivers will be business owners who rely on their vehicles every day, and you can help them be prepared for:

- **Unexpected Repairs**
- **Preventive Maintenance**
- **Tire/Wheel Damage (even off-road)**

We can even customize plans to meet the needs of particular dealerships.

DKP Service Contracts and protection plans can be profitable for you and extremely valuable for any business that relies on reliable transportation.
