## THE PLAN THAT COVERS TIRE & WHEEL DAMAGE

**S**ecure Shield Tire & Wheel Protection pays for the repair or replacement of tires & wheels in the event that they become damaged due to impacts with a covered road hazard.

Many of your customers may not realize that their tire manufacturer's warranties do not cover tire damage due to road hazards.

And, of course, tire warranties won't pay for associated damage to wheels, either.

Once you've educated your customers about those risks, you can offer them a solution with a Tire & Wheel protection plan.

Our Secure Shield coverage includes protection against everything on the road that could puncture or damage tires & wheels, such as:

- **SCREWS AND OTHER SHARP OBJECTS**
- **BROKEN GLASS**
- **POTHOLES**
- **ROCKS AND OTHER DEBRIS**

*This marketing material is provided for review purposes only.  
See contract for complete coverage details,  
benefited items, conditions and exclusions.*

Whether the condition requires repair or complete replacement, DKP will pay 100% of retail price of:

- **BALANCING**

**Help your customers be totally ready for tire damage that could occur on any trip, near or far...with a Secure Shield Tire & Wheel protection plan.**

**Our Tire & Wheel Coverage provides the reassurance needed for unexpected life events.**

Provides reimbursement coverage for repair or replacement from a covered road hazard including:

**VALVE  
STEM**

# GUARANTEED ASSET PROTECTION

**GAIN THE  
ULTIMATE PEACE  
OF MIND BY KNOWING  
THE GAP IS  
BRIDGED**

**IMAGINE:** *your RV is completely gone...  
but you still have to finish making payments on it.*

Too many RV owners find themselves in this situation because their insurance policy didn't cover their remaining vehicle finance payments.

The Secure Shield **Guaranteed Asset Protection (GAP)** plan from DKP saves you from this hardship.

Often, there is a **gap** between the amount of your insurance settlement and the balance of your loan when your vehicle is deemed a total loss due to the following:

- ACCIDENT
- THEFT
- NATURAL DISASTER
- FIRE
- VANDALISM
- FLOOD

The **loan holder** is ultimately responsible for the gap in coverage and any insurance deductibles.

In the event of a total loss, our GAP helps close the gap

See contract for complete coverage details,  
benefited items, conditions and exclusions.*

between what you owe on your RV and what insurance actually pays you.

It's an affordable supplement to your standard insurance coverage – and it ensures you won't be left making payments on an RV you no longer have.

**BE PREPARED  
FOR LOSS FROM:**

DISASTERS

ACCIDENTS
