

Keep shining for years to come!

NanoCure[®]
PROTECTIVE COATINGS

CERAMIC GRAPHENE PROTECTION

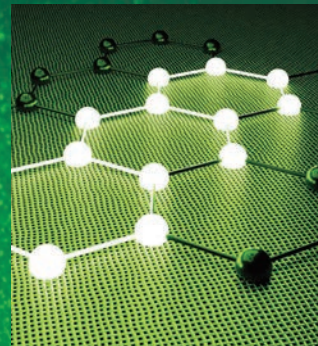

WITH
NANOXIDE

Choosing **NanoCure[®] Ceramic Graphene Protection** is like giving your vehicle's appearance a powerful, transparent coat of armor. Featuring revolutionary nanotechnology with the latest advancements in Ceramic and Graphene, NanoCure[®] with Nanoxide™ ensures your vehicle's exterior and interior surfaces will stay showroom beautiful for years to come!

The Science of Ceramic Graphene

NanoCure[®] Ceramic Graphene offers an elevated level of protection thanks to its lightweight, flexible and ultra-strong characteristics.

Graphene is 200 times stronger than steel and harder than a diamond, making vehicle surfaces impervious to environmental hazards and adverse weather conditions. Graphene is also self-healing, meaning that minor damage to the surface will disappear over time as the graphene atoms flow back together to repair the area.

Why choose Ceramic Graphene Protection?

- Enhances the original factory paint, including matte finish
- Guards against contaminants that can damage the paint
- Forms a harder surface for better scratch resistance

What does Ceramic Graphene Protection guard against?

- Sun-induced fading
- Loss of gloss or oxidation
- Hard water spotting
- Tree sap
- Insects ... and more

Protection Inside and Out

NanoCure[®] with Nanoxide™ protectants give a vehicle's interior carpet, fabric, leather and vinyl surfaces a rugged defense against incidents and everyday mishaps that can permanently damage the appearance, including:

- Food and beverage spills
- Pet stains
- Bodily fluids
- Damaging UV rays ... and more

See warranty for details

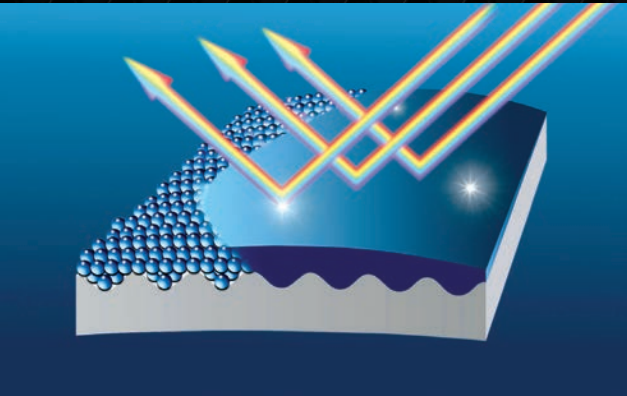

Groundbreaking protection that goes beyond the surface.

NanoCure® Ceramic Graphene Protection offers multiple options to ensure you have the coverage you need.

<p>BASIC COVERAGE (12 Months)</p> <p>★</p> <p>Exterior Paint Protection protects and enhances the factory paint, including matte finish</p>	<p>CLASSIC COVERAGE (36 Months)</p> <p>★★</p> <p>Everything in Basic Coverage, PLUS:</p> <p>Interior Protection shields leather, vinyl, carpet and fabric against spills and stains resulting from food, drink and bodily fluids, as well as sun damage</p> <p><i>Ideal for Leases!</i></p>	<p>COMPREHENSIVE COVERAGE (60 Months)</p> <p>★★★</p> <p>Everything in Classic Coverage, PLUS:</p> <p>Factory Wheel Protection prevents staining from excessive brake dust that's not easily removed by a commercial car wash</p>	<p>ELITE COVERAGE (84 Months)</p> <p>★★★★</p> <p>Everything in Comprehensive Coverage, PLUS:</p> <p>Black Trim Molding Protection defends against fading and discoloration of the black trim molding</p> <p>Headlight Lens Protection prevents dulling, yellowing and fading of your vehicle's headlight lenses</p>
---	--	---	---

Includes Exclusionary Coverage for any damage not specifically excluded in the warranty.

NanoCure® with Nanoxide™ provides the ultimate protective barrier.

NanoCure® protectants feature **Nanoxide™**, an advanced formulation that gives your vehicle's exterior and interior surfaces a hazard- and stain-resistant barrier.

Nanotechnology is the “science of small” – it uses microscopic particles to fill uneven areas, forming a molecular bond with vehicle surfaces. (One nanometer is one billionth of a meter.)

Make the luster last!
