

Types of Dealerships We Help:

Automotive

Today's car, truck, SUV, and van buyers expect more than a great vehicle at the time of purchase, they want expanded protection. Our comprehensive warranty programs give dealerships the opportunity to offer high-quality coverage plans that protect purchases regardless of age, make, or model.

Motorcycle

Motorcycle owners invest in their bikes for the thrill of the ride, the freedom of the open road, and the adventure that comes with two wheels. Riders want to know their motorcycle is protected against unexpected repairs, road hazards, and theft. ARC provides tailored motorcycle specific solutions, allowing dealers to offer their customers the confidence they want to ride worry-free.

Powersports

Powersports enthusiasts invest in their vehicles for adventure and utility, whether it's tearing through trails on an ATV or carving through fresh powder on a snowmobile. With ARC's tailored warranty programs, dealers can safeguard their customers' investments and strengthen confidence in their dealership.

RV & Camper

Purchasing an RV or camper is a major investment, and customers want the assurance that their home on wheels is protected. At ARC, we provide customized warranty solutions for RV and camper dealerships, allowing dealers the ability to offer extended coverage options that protect customers from theft, costly repairs, unexpected breakdowns, and unforeseen expenses.

Comprehensive ARC Coverage for Every Need

Roadside Assistance:

With 24/7 nationwide support, ARC's Roadside Assistance plans offer towing, flat-tire changes, battery jump-starts, fuel delivery, and lockout help, keeping customers on the road with confidence.

Gap Insurance:

ARC's GAP (Guaranteed Asset Protection) Insurance covers the difference between an insurance settlement and the remaining loan balance in the event of a total loss, helping protect customers from financial exposure.

GPS Solutions:

ARC offers LoJack® and CarChief®, advanced theft-recovery tracking systems and connected car technology, enabling faster recovery of stolen vehicles and delivering enhanced peace of mind.

Theft Protection:

ARC's Theft Protection plans deter unauthorized access and vehicle theft, serving as a crucial complement to tracking systems such as LoJack® and CarChief®.

Key Replacement:

ARC's Key Replacement plans cover the cost of lost or stolen keys, ensuring drivers can stay mobile without facing unexpected replacement costs.

Vehicle Service Contracts (VSC):

ARC's VSCs are flexible, customizable service contracts that provide extended coverage from powertrain and drivetrain to full-wrap for new and pre-owned vehicles (including hybrids and EVs), boosting customer satisfaction, loyalty, and dealership profit.

Tire & Wheel Protection:

These plans safeguard against damage from potholes, road debris, and similar hazards, minimizing unexpected repair or expenses related to wheels and tires.

Appearance Protection:

ARC's Appearance Protection plans preserve a vehicle's interior and exterior by covering paint damage, fabric wear, styling treatments, and environmental wear, keeping resale value intact.

Identity Theft:

Identity theft protects the customer's credit thru trans union monitoring and score recovery.

Prepaid Maintenance:

ARC's Prepaid Maintenance plans encourage regular servicing like oil changes and tire rotations at predictable costs, fostering long-term customer relationships while helping dealerships promote routine care visits.
